Club Notes

The membership present at December's meeting voted to change the meeting time to 5:30p.m., there were a few people at January's meeting who were not aware of the change, our apologies for not getting that passed on well. At January's meeting, bean soup, biscuits, veggie tray, chocolate chip cookies, etc. were served, dinner and a meeting all at once.

Many thanks to all the gracious members who brought the food. We also had music...yes,

live music, 4 local musicians, Pat Embaum, Larry Potts, Randi Halverson and Al Reese, thanks gentlemen, it was great fun. Would anyone be interested in an evening of dinner and live music at the clubhouse, come to the meeting, give us your input.
